

Welcome to listen to the Winter Services 2023 Broadcasting. This is our timeline even though changes may occur due to the live event.

In addition to the prerecorded programs and live interviews, we will broadcast Songs and Hymns of Zion from LLC Albums and short readings about Peace. Prerecorded programs have been produced by volunteers all around North America. We warmly thank all the willing workers and hope listeners will enjoy the broadcast.

Please send your feedback, comments and greetings to [servicebroadcast@llchurch.org](mailto:servicebroadcast@llchurch.org).
