

Welcome to listen to the Summer Services 2023 Broadcasting. This is our timeline even though changes may occur due to the live event.

In addition to the prerecorded programs and live interviews, we will broadcast Songs and Hymns of Zion from LLC Albums and short readings from the *Illustrated Home Bible*. Prerecorded programs have been produced by volunteers. We warmly thank all of them and hope listeners will enjoy the broadcast.

Please send your feedback, comments and greetings to servicebroadcast@llchurch.org
