How to enroll:

- Determine which camp works best for your family.
- Think of a "2nd choice" option in case your "1st choice" option fills up quickly.
- Online enrollment will be split into "male" and "female" options for each camp. We try to maintain a balance of both per camp as much as we can.
- If you(parent) are serving as director or teacher at one of the Confirmation schools and want your student to attend that same camp, please contact us at the LLC before Nov. 25, 2018.
- Be ready to complete enrollment online @ www.llchurch.org; "attend a camp." Enrollment for Confirmation will open at 11:00 am (CST) on Dec. 3, 2018.
- Note: If your "1st choice" is full, go ahead and enroll to the waitlist. But you will also NEED to complete enrollment in another camp choice as well.

Other Notes:

- Enrollment is "capped" to benefit the learning environment.
- There's bus transportation for SLC & HLC students (from RLLC), and for WC students from Seattle church & Kelso Mall.
- Feel free to contact the LLC office with any questions you may have.
